9. Treatment and Payment of Claims.

- All creditors must timely file a proof of claim to receive any payment from the Trustee.
- If a claim is scheduled as unsecured and the creditor files a claim alleging the claim is secured but does not timely object to confirmation of the Plan, the creditor may be treated as unsecured for purposes of distribution under the Plan. This paragraph does not limit the right of the creditor to enforce its lien, to the extent not avoided or provided for in this case, after the debtor(s) receive a discharge.
- If a claim is listed in the Plan as secured and the creditor files a proof of claim alleging the claim is unsecured, the creditor will be treated as unsecured for purposes of distribution under the Plan.
- The Trustee may adjust the monthly disbursement amount as needed to pay an allowed secured claim in full.
- If relief from the automatic stay is ordered as to any item of collateral listed in the plan, then, unless otherwise ordered by the court, all payments as to that collateral will cease, and all secured claims based on that collateral will no longer be treated by the plan.
- Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in the plan.

- 10. Vesting of Property of the Estate.** Property of the estate shall revert in the debtor(s) upon confirmation of the Plan. Notwithstanding such vesting, the debtor(s) may not transfer, sell, refinance, encumber real property or enter into a mortgage loan modification without approval of the Court after notice to the Trustee, any creditor who has filed a request for notice and other creditors to the extent required by the Local Rules of this Court.

- 11. Incurrence of indebtedness.** The debtor(s) shall not voluntarily incur additional indebtedness exceeding the cumulative total of \$5,000 principal amount during the term of this Plan, whether unsecured or secured, except upon approval of the Court after notice to the Trustee, any creditor who has filed a request for notice, and other creditors to the extent required by the Local Rules of this Court.

12. Nonstandard Plan Provisions

☐ None. If "None" is checked, the rest of Part 12 need not be completed or reproduced.

Under Bankruptcy Rule 3015(c), nonstandard provisions must be set forth below. A nonstandard provision is a provision not otherwise included in the Official Form or deviating from it. Nonstandard provisions set out elsewhere in this plan are ineffective.

The following plan provisions will be effective only if there is a check in the box "Included" in § 1.C.

The joint debtor worked for Title Concepts as a Title Processor up until June 7, 2019. She received her last paycheck on June 27, 2019 and is currently looking for employment. The debtor anticipates that she will net approximately \$1,900. The step increase in payment is to account for the debtor obtaining employment and netting \$1,900 less \$541 for childcare which she will have to pay for when she goes back to work. The step increase is \$1,359 in month 4. The childcare amount is based on what the debtors paid when the joint debtor was employed. The step increase gives the joint debtor 3 months to find employment.

The trustee will not pay adequate protection to Exeter Finance until month 4 of the plan.

The debtors' son has braces for which they are paying \$220 per month. The braces will be paid off in month 22 of the plan which is the reason for the increase in payments in the amount of \$220 in month 23.

The debtor's student loans are currently in deferment and will remain in deferment until the end of the plan.
